FOREWORD

On August 15, 1945, Japan accepted the terms agreed upon at the Potsdam conference by the leaders of the Big-Three thus ending the most destructive and ruthless war this world has ever known. In commemoration of the peace that was gained, we of the 1946 QUILNA staff thought it only fitting and proper that we take for our theme peace—peace, which we have symbolized by the dove and the olive branch.

We are trying by both action and thought to forget the terrible anguish and strife brought upon the world by the hate and greed of a few. But we can not, we dare not, forget the things we have learned by bitter experience. This is the purpose of our book—to remind each of you of your duty to God and country, to preserve what has been won for you only through the sacrifice of many millions of men, women, and children, who shall never see the light of day, to see that by the grace of God the world "shall have a new birth of freedom, and that the government of the **people**, by the **people** and for the **people** shall not perish from from the earth."

DEDICATION

Shawnee is proud and yet sad that in this war six of her former students "paid the last full measure of devotion", while many millions marched on to victory and triumph over the forces of evil in the world.

We, of the Senior Class of 1946, gratefully dedicate this book to them. We appreciate the sacrifice they made and we wish to honor them and preserve for posterity their names and pictures.

To the memory of Charles Benson, Carl Buckmaster, Charles Jennings, Alonzo Settlemyre, Gene Bowsher, and Bill Galloway we humbly dedicate this book with the prayer that they have not given their lives in vain, and that peace will reign in the world forevermore.

Howard Foust, class of '43, died of smallpox in Japan. William Winegardner, class of '44, was shot down over Germany. (We deeply regret that this information reached us too late for the proper recognition.)

SENIOR CLASS

The great day for which the class of 1946 has waited twelve long years has finally arrived. In the flurry of last minute congratulations and details, the seniors are saying farewell to the school that has for so long been their second home. There isn't much that we can say except that even in our grumblings and complainings about the teachers' being unfair, the assignments being too long, and detentions being unfair, we are still going to hate to leave Shawnee.

Shall we go back to the very first day we started high school in September of 1940? We were a bit awed by the differences we found in high school and grade school life. But thanks to the guiding hand of Miss Ruby Mayer, we struggled through our seventh year of school. In the fall of '41 we moved from the recreation room to the science and general science rooms. This was the first time our class had been separated and it took us a while to become used to this arrangement. Eight A, A through I, was under the supervision of Mrs. Wilda McGough; eight B, J through Z, was under Miss Lois Weaver.

In our freshman year we were again divided into two sections, the first, under Miss Margaret Rimer, and the second, under Miss Mary Hiltner. We moved up to the top floor of the school to rooms 2 and 3. Many new activities were opened to us, and we were happy to take advantage of them. For our first carnival queen representative, we chose Carolyn Baber. Our freshman officers were Charles Kerr, president; Bruce Goodenough, vice-president; and Doris Lee, secretary-treasurer.

In our sophomore year, section A, now A through J, moved to the Junior High Study Hall, and section B, K through Z, moved to Room 1. This year we gained a lot of new students from Perry. Soon, however, the newness of their coming wore off and we were one big happy family. This year we chose brunette Ruth Miller for our representative as carnival queen. For our next officers we elected Don Settlemyre as president, Charles Marshall as vice president, and Jean Ann Morrison as secretary-treasurer. Miss Rimer and Miss Hiltner were still our advisors.

We were excited when we returned to school in September of 1944, for we were on the last half of our high school careers. This time we were all together in the Junior High Study Hall with Miss Hiltner and Mr. Hamer Mitchell as advisors. For our third carnival queen representative we chose blonde, blue-eyed Beatrice Barbour. Again Charles Kerr was our president; Don Settlemyre took over the vice-

presidency (wasn't he a swell toastmaster at the prom, gang?); Betty Nye was secretary and Beatrice Barbour, treasurer. Our junior year was really exciting. The annual Junior Class Play and class rings held our complete attention the first half of the year, while the prom engaged all our interests the latter part. By the end of 1945, four of our classmates had left us to serve their country.

September, 1946, saw us very near the end of our goal for a high school diploma. It was hard to believe that we were seniors and that we had only nine more months of school ahead of us.

For the most important officers we had to elect in our high school careers we chose, after much debate, Bruce Braley for president; Charles Kerr for vice-president; Beatrice Barbour for secretary, and Ruth Harshman for treasurer. Louetta Schlegel was our last carnival queen representative.

Since we were seniors, we had the privilege of having the Senior High Study Hall as our home room, of sitting in the first five rows in the auditorium, of leaving the auditorium first, and of being "cock-of-the-walk" during our last year at Shawnee. Mrs. Goldie Waltz and Mr. Hamer Mitchell were our advisors in this last and busiest year.

Walking sedately down the aisle of our Alma Mater for the last time as students of Shawnee High School on May 16, 1946, we look back over our years in school. We can remember our first year of high school and the terrible blow we received in December of 1941 when Pearl Harbor was bombed. Each one of us has learned through the bitter experience this war has brought how important it is to maintain peace in the future.

Because we have finished our high school education, because we've studied in part the history and government of our country, because we've had rules and regulations to obey, we will be better fitted to become citizens of the United States and to take our own responsibility in preserving peace and freedom in the world. Perhaps one of our number will be instrumental in bringing about the world solidarity that has been talked of for so long. Another may bring relief from some dread disease, and still another may help perfect our government. We sincerely hope that from all the classes of 1946, there will come these and other great humanitarians.

With the belief that the world and future belong to youth, we go forth this night in May, 1946, to try to do our bit in preserving peace and prosperity not only for ourselves and our posterity but for all the world for evermore.

SENIOR CLASS PROPHECY

One afternoon as a representative of the QUILNA, I went to the office of the President of the United States to get his opinion of world peace. I entered the White House and found about fifty other people waiting to see the President too. I sat down to wait my turn.

My mind was at last relaxed and free from strain for the first time since the beginning of the war. I could hardly keep my eyes open and finally I dropped off into a deep sleep.

I dreamed that I was in Washington, but by the appearance of autoplanes instead of automobiles, I imagined the year to be about 1956.

Many people on the street were talking about the election of a new President, **BRUCE BRALEY**. I went to the White House hoping to renew my old acquaintance. My hope was fulfilled and we started talking about old times. In the course of the conversation I learned all about by old classmates.

EVA ELLEN ADAMS is the President's secretary and **INES SNEARY** is his receptionist. The pilot of his private plane is **CLARENCE COX**. The President had just appointed **GENE PURDY** as Secretary of War and **DICK EDWARDS**, Secretary of the Navy.

KATHLEEN EBLING and **DORIS LEE** have just returned from Mexico, after an extensive tour. That Spanish they learned in Mr. Baca's class certainly came in handy. **DELORES BOWERS** is the attractive, well-known senator from Ohio. The lovely **BETTYE GRAY** has become the wife of **DONALD SETTLEMIRE** who was recently appointed Ambassador to England.

SHIRLEY ANNE JAMES is a world-famous opera star who is now touring Europe. **LOUELLA BOWSHER** has entered the Conservatory of Music in Paris. Mrs. **BARBARA BROWN** Bowsher has moved to New York to join her husband, **PAUL BOWSHER**, the famous band leader. **JAMES THEDIECK** is the popular baritone soloist for his band. **GENE MCGILLVARY** has his own radio program and employs **CHARLES MARSHALL** and **WILLIAM HITTLE** as comedians.

RUTH MILLER is the beautiful movie actress starring in the local theater. **BEATRICE BARBOUR**, lovelier than ever, is a model in **MARY MEYERS'** exclusive dress shop. **GLORIA EVERETT** is her head designer.

LAVERNE STAKELY is the Dean of Women at Yale University. Professor **WILLARD MOORE** teaches chemistry and Miss **MARGARET CODER** teaches history at Ohio State. **EDMUND CONRAD** has completed an extensive course in agriculture and has returned to help the outstanding farmers of the community—**BERNARD SNEARY** and **RANDALL SPENCER**. **KENNETH FRANCIS** is the head engineer at **CHARLES KERR'S** Aeronautical Corporation. **HERBERT GRAHAM** heads the Designing Department. **JOHN GWINN** is the world's champion boxer. **BETTY SHOEMAKER** has become a graduate nurse at Memorial Hospital. **NORMAN BURGET** has purchased the latest automobile produced by the company owned by **ROGER EMRICK**. **CHARLES HENNON** has become a pilot, with **RUTH HARSHMAN** and **SHIRLEY SNEARY** serving as hostesses. **JEAN ANN MYERS** is living luxuriously in the estate willed to her by her uncle.

Mr. and Mrs. **JAMES MATHEWS** (Mrs. Mathews is the former **LOUETTA SCHLEGEL**) own a fine home in Lima. The town's leading newspaper, **GOSSIP**, is edited by **MARGARET LA POINT**. **SHIRLEY McCASLIN** and **HELEN SMITH** are her leading reporters. **WILLA MAE O'NEAL** has completed her latest book. It is the biography of the town's leading socialite, **CAROLYN BABER**. **MARGARET STEMEN** is the proprietress of a new tea room with **HELEN BURGESS**, **CAROL CLARK**, and **BEATRICE WARNER** serving as waitresses. **HELEN KLETTE** and **BETTY CAIN** work at the City Loan. **MARY FICKLE** is the Matron at the Children's Home. **JUANITA CLARK** is a home demonstrator for Westinghouse. **CHARLES GLASCO** has won the position of water commissioner—he listened to the "Great Gildersleeve" too much in his youth.

RONALD HARSHE and his wife, the former **BETTY NYE**, own several farms near Hume. **DOROTHY BECKER** is a visiting nurse.

Then I was awakened by the President's secretary. She told me that the President had left for the day and I would be unable to see him that day.

JUNIOR CLASS

"Hey, Stewart, where's Janice? . . . Johnny, behave—If that's possible . . . Do we have a movie? . . . Any news from . . . Anybody got a pencil—with a brain? . . . Who's our new homeroom teacher? . . .

"Faint heart never won fair lady", they say, and this class certainly has no faint hearts! They have really put themselves into everything they did and no doubt about. No denying it, their prom was really a success as was their skating party and movie.

This class can really pick the winners. They chose Ladonna Layton as their carnival queen representative. Ladonna was a very lovely queen, too, as you can well remember.

The juniors decided to elect for their officers in this very important year, Jim Stewart as president, Bob Trueblood as vice president, Thelma Mauk as secretary, and Joan Nunn as treasurer.

One needs only to look at a list of the lettermen, club officers, and members of the music department to see that when the class of '47 says farewell to Shawnee many valuable members of these activities will leave too.

The class was guided by Mrs. Jeanne Laitner, Mrs. Guyneth Mikesell, and Mr. Wilbur Byerly, in turn, and Mr. Roy Crites through one of their hardest years.

These energetic upperclassmen left their indelible mark on Shawnee like in many ways—they shone in all extra-curricular activities.

In anticipation of their prom in 1947, the class collected sales tax stamps and held a very successful skating party. Seems as if they intend to have a super prom for next year's seniors.

In her sweet little "Alice blue gown", blonde Alice Kidd, their carnival queen representative, really caught every eye as she walked down the auditorium aisle onto the stage as one of the queen's lovely and gracious attendants.

In the early weeks of school, John Schlegel was elected president of the class of '48. To help John make it an eventful year, Eugene Miller was elected vice president; Marilyn Kerr, secretary, and Jean Esten, treasurer.

Through the many months of school and activities, Mrs. Ruby Hess and Mr. James Voglegesang encouraged the class to better work.

FRESHMAN CLASS

"Who's going to be President? . . . Golly I don't feel like a Freshman, do you? . . . I want my book! . . . This is the algebra assignment . . . Are you going to join the Glee Club and Mixed Chorus? . . . What subjects are you going to take?"

Brand new adventures were opened up to these lads and lassies when the doors of Shawnee opened for the year of 1945-46. The class of '49 found new fields of sports and activities open to their talents.

For their first carnival queen representative, the class chose cute, blonde Janet Burget. They were very proud when Janet walked slowly through the auditorium just ahead of the queen.

No denying it, this class has really got what it takes to be successful. Johnnie Doyle and Ted Verbryke gained their letter in football in their first year.

Through the trials and tribulations of their freshman year the class of '49 was guided by Mrs. Beatrice Guyton and Mr. Nicholas Baca.

Leading this freshman tribe was Ed Schlegel, president. Backing him up all the way were his fellow officers Johnnie Doyle, vice president; Mary McAow, secretary; and Janet Burget, treasurer.

EIGHTH GRADE

"Pipe down — here comes "Deck" — Where's Pat? . . . Who's got my social science book? . . . Look under your desk . . . Bill, give me a pencil . . . Which one is our home room? . . . Is your English done? . . ."

The class of 1950 settled down to an eventful year as school opened in September. They found themselves confronted by two new advisors and they took it in their stride. Mr. Lawrence Deckrosh and Mr. Francis Younkman had their hands full with such an energetic class.

The lower hall, the science and general science rooms became the "hangout" of the eighth grade and they spent many mornings and noons milling about.

Members of this class are in the band and orchestra, and on the junior high track and basketball teams. All in all it looks very promising to the upper classmen, and we are hoping that there are no faint hearts that give up their activities.

Jim Snider was elected president of the class in the early weeks of September. When he left, Bill Tice, the vice president, took over his post. Pat Hardin was the secretary-treasurer.

Row 1—Donna Barnes, Edmund Newhouse, Donald Nungester, Ray Roof, John Moore, Margaret Faccenda, Betty Hartman, Pattie Doyle, Hazel Kunkleman, Lois Bowers, Ronald Yoakam, Tennessee Whitaker, Chester Ebling, Billy Feigh, Dale Barnes, Alice Tomlinson. SEVENTH GRADE

"Where is room 1? . . . Gee, this study hall's big . . . Let's not be late to class . . . We shall say our memory selection for today . . . Isn't it wonderful to be high school students—well, almost . . . Can I go to the library? . . ."

High school students—well, almost . . . meant a lot to the class of 1951 and under the guiding hand of Miss Ruby Mayer, the class set out on its journey to the top of the ladder.

Thrilled by their first glimpse of high school life, the seventh grade reacted quickly and willingly to the excitement of assemblies, pep meetings and movies with the upperclassmen.

This energetic young class had representation in the band and orchestra, and there are, I understand, some very promising members for the Glee Clubs and Mixed Chorus.

For their first high school officers, they chose James Mitchell for their president, Lynn Lugibill for vice president, and Jean Ellen Hixenbaugh for secretary-treasurer.

Good luck, kids, and don't ever forget the peace which has been won for you.

QUILNA DOIN'S

"Where's the glue? . . . Is this the G.R. picture? . . . Put that on page . . . The individuals are in that envelope . . . How many ads did you get? . . . Boy! Are my feet tired! . . . Where's this ad go? . . . Hand me the mat . . . Got any good ideas for a theme? . . . Where shall we go next? . . . I want the eraser . . . Oh, my achin' back! . . . Let's go to press . . ."

Tempus really fugited for the Quilna staff and with it went many study halls, classes, and afternoons in town.

When school opened this fall, your editor and business manager were rarin' to go. But before anything could be done, the other members of the staff had to be picked. After that there came the simple (?) matter of choosing a theme for our book, and a photographer to take the pictures. The Lima Photo-Engraving Company and the Defiance Printing and Engraving Company have done our engraving and printing for a number of years, so there was no question on that matter. We chose the same company to do our covers as last year. This was the Craftco Cover Company in Chicago. After these preliminaries, the staffs got to work in earnest.

Write-ups were assigned; pictures were taken; a subscription drive was held (this year we sold 345 books—the most that have ever been sold); the Business Staff went in search of ads to finance the book.

After the pictures returned from the photographer, each one had to be identified and sent to the engraver. When the prints from the engravings started rolling in in March, the library workroom, which we had long before confiscated from Mrs. Waltz, became the scene of more activity. These prints had to be pasted in the dummy and each person identified. (And is that a job!) Finally the QUILNA was ready to go to press. And with a great sigh of relief, Mrs. Waltz and your editor turned it over to the printer.

All this time, however, the Business Staff had been far from idle. They spent a lot of time, and gas, and acquired a lot of headaches—or should I say footaches—in search of the ads and sponsored pages. Even after they had gotten the ads, each ad had to be plotted on paper, the way it appears in the book. And that certainly wasn't too easy a job.

Publishing the QUILNA hasn't been all work and no fun, but there have been times when none of us thought it would ever go to press. Each member of the staff has felt a personal responsibility in making it the best QUILNA that has ever been published. We've tried to make it a book that you'll enjoy and treasure for the memories it will bring to mind. We hope that you will enjoy this book and get some of the enjoyment from it that we've put into the making of it.

Ouch! Quit throwing those bricks at me!!!

CHIEF DOIN'S

"Hey, who's got the ink? . . . Where's the stencil for page five? . . . Shh --- here comes Mr. Baca . . . Where's your write-up, Kate? . . . Seen Miss Gorman anywhere? . . . The cover's finished and so are the ads . . . The deadline is Monday . . . Where is that stylus? . . ."

It sounds as if the CHIEF staff is at work. And so we find another year has come and gone. Headed by Miss Florence Gorman on the production end of the staff and Mrs. Jeanne Laitner, Mrs. Guyneth Mikesell, and Mr. Wilbur Byerly on the Editorial, the CHIEF was destined to be good, and it was.

Many long hours were spent by these four teachers and Jane Campnell, the editor, to make this semi-monthly publication available to the students. No one can count the barrels of midnight oil burnt by the whole staff cutting stencils, finishing write-ups, and turning out the final production; and there's always the matter of study halls given up to "work" on the CHIEF.

Enthusiastic and sometimes noisy would-be-reporters made the CHIEF room their haunt. It's always a lot easier to work to the clatter of the mimeograph and the buzz of many voices, so I understand from the staff.

There was always a last minute frantic rush on Friday to finish the final pages. The most frantic of all was that edition when we were dismissed three days early for Christmas vacation. But everyone had fun at the Christmas party and the CHIEF room rang with happy laughter while everyone on the staff put the pages of each CHIEF in order.

We were introduced to some new features in the CHIEF. One of the most feared was the "Nosey Newser". Everyone hunted for it the first thing to see if he had the mis-fortune of running into him, but it was one of the best articles in the semi-monthly publication.

Shawnee is truly grateful to this newspaper for the laughs, the truths, and the inspirations it gave us during the year. "Nice work," we say, "and thanks a lot, CHIEF staff."

LIBRARIANS

"May I help you? . . . No, we don't take that magazine . . . Please be quiet . . . Do you have your dusting done?" . . . Are you kidding!! . . . Get your lesson in . . . You can keep the book two weeks . . . It's on Reserve . . . Biography is in section 92 . . ."

"Hello, are you a new student? May I welcome you to Shawnee. You are interested in library work? Since Mrs. Waltz, the head librarian, isn't here at the moment, will you allow me to introduce you to our library.

Mrs. Goldie Waltz has been the head of our library for years. Through her help the Shawnee Library has grown to be one of the finest in the state. We have over three thousand volumes of reference, fiction, and non-fiction books. This does not include, of course, the many periodicals that we take.

This is the card catalog here between the door and the magazine rack. In it, every book in the library is listed at least three times. The big green file over there contains hard to find information,

college catalogs, and vocational essays by the seniors of classes '40, '41, and '42.

This is the main desk, where we check books in and out. Back there in the left hand corner of the library, we keep books that are in special demand, on reserve.

The main duties of the student librarians are to come to the assistance of anyone who is unable to find the information that he wants, to keep the library neat and clean, and to keep order. That last is often very hard to do if the library is full and last night's date was so important. Librarians have library lessons every two weeks to help them understand the workings of a library. It's a toss-up as to which we dislike most—dusting or library lessons.

Oh, there goes the bell. I have to go to class now. But here comes Mrs. Waltz. She'll be able to tell you so much more about the library than I can. I hope you decide to become a librarian. We'd like to have you among us.

EL CLUB ESPANOL

"Estudiantes—quiet!!! . . . What time is the party? . . . You goin'? . . . Beatrice, translate the first sentence . . . Hey, you missed me . . . now, remember, composition for Thursday . . . Be quiet, Willard . . . Oh, look out the window, Mr. Baca . . . Those freshmen C-E-N-S-O-R-E-D. Who said that word wrong? . . . Going skating, Mr. Baca? . . . Ruth, it's your turn . . . Ohhhh, I give up . . ."

The Spanish Club of 1946 has shown a decided improvement over the club of last year. It has improved not only by a great increase in membership, but also in many other ways.

With Senor Baca officiating, the club met at regular intervals at the Spanish table, and completed several interesting things. Even with the paddles, I'm sure everyone enjoyed himself at the party given at Marilyn Hennon's.

Senorita Beatrice Barbour was the president; Senorita Ann Copus, the Vice President; Senor Kenneth Francis, the Secretary; and Senorita Jane Campnell, the Treasurer.

This is an organization that Shawnee can well be proud of, and I'm sure the students are very proud to be a member of this interesting and worthwhile club.

FUTURE HOMEMAKERS OF AMERICA

"The meeting will come to order . . . Where's that Shoe?? . . . Bring your own food . . . Are Mrs. Miller and Mrs. Hosack here yet?? . . . Hey, do you have that program???"

The Shawnee chapter of the F.H.A. had a very eventful year, ably guided by Mrs. Lloyd Miller as Club Mother and Mrs. Hosack as Advisor. Ruth Miller presided over the meetings, assisted by the following officers: Helen Smith, Vice President; Gloria Everett, Secretary; Betty Shoemaker, Treasurer; and Bessie Hixenbaugh, Historian.

They started the year off with a bang by having a wiener roast and get-acquainted party. Next in

November came a buffet supper followed by a banquet in January. March brought a spaghetti supper. April was a full month with a regular meeting, skating party, and a weekend trip. The girls enjoyed their trip to Detroit, Michigan on April 27 and 28. The ride on the bus was a lot of fun and it was interesting to see the sights of the big city. The class activities came to a conclusion for the year with a Mother-Daughter Banquet in May. The girls enjoyed this year very much and the home-fires will burn more brightly because the girls belonged to the F.H.A.

FUTURE FARMERS OF AMERICA

"Anybody going to Chicago? . . . Bowsher's over there half asleep—out too late last night . . . The meeting is adjourned . . . How about that hayride? . . . We can have Burget's tractor, I guess . . . How about a wagon . . . Who's going to win the contest? . . ."

Ah, what have we here? Now don't tell me—let me guess. The Shawnee chapter of the F.F.A. is having another meeting. It seems to be the last, for there is a lot of reminiscing going on. Perhaps if we listen we'll learn what they've been doing this year.

"Say, remember the pest hunt we had? That was a lot of fun. Wayne's side got the better of us this year, though. But we'll show them next year! Then the parent and son banquet we had in April was fun too. Ahhh—food. I think I enjoyed that hayride we had with the F.H.A. in October most of all.

"That was fun, but don't forget our skating par-

ties. Now for me, I like to skate, so I enjoyed that most of all.

"Say, does anyone remember who won that contest we had for fertilizer sacks? Oh well, it isn't important.

"Don't forget our parliamentary team. We made a good showing at the district contest. Then there was that time when we all went to Columbus for one day to a Shorthorn judging and showmanship contest. A few of us even got to go to Chicago to the livestock show."

We've really had a full year. And thanks to our capable officers: President, Ronald Harshe; Vice-president, Wayne Lutz; Secretary, Russell Winegardner; Treasurer, Edmund Conrad; Reporter, Erwin Adams; and Watch Dog, Jim Stewart, and to our very capable advisor Mr. Karl Riker, we've really enjoyed belonging to the Future Farmers of America.

GIRL RESERVES

"The meeting will please come to order—Psst! Hey Joan, was that you I saw with Kate over at . . . Say, Ruth, let's have a hayride or a dance . . . Quiet! . . . SHUT UP!!! . . . How about a dance, girls? . . . Are we gonna ask boys? . . . How's the money situation, Sally? . . . Ann, what are you gonna wear? . . . O.K., you can go now . . . See you Saturday night . . ."

The Girl Reserves had a very busy schedule. They were all invited to a hayride given by Kathleen Ebling and Ruth Harshman in September. In October the girls held a "Sad Sack Party" in the school cafeteria and also had a stunt show at the Carnival.

In December a number of the girls and their mothers went to Bluffton to the Eighth District Conference. The January meeting was a combined

meet with the Women's Council. February, the girls held a gay Valentine party in the cafeteria. In May, the busiest month of all, a lovely formal dance, a Mother-Daughter Banquet, and the installation of new officers were held.

The officers for the 1945-46 year were President, Ruth Harshman; Vice-President, Connie Kraft; Secretary, Sally Seiling; Treasurer, Sally Young; Program Chairman, Kathleen Ebling; Publicity Chairman, Beatrice Barbour; Music Chairman, Joan Nunn; Devotional Chairman, Thelma Mauk; Refreshment Chairman, Doris Lee; House Committee, Pat Edwards and Oleta Sherer; Social Action Chairman, Jean Schoonover. BAND

"All together now, start right after the introduction . . . Listen to those mellow trumpets squeal . . . Pretty solid . . . Doris, let's hear that run again . . . Not so fast drums—You'd think you were playing in a swing band—Ohh—that squeaking clarinet . . . Coming tonight, Kenny? . . . We'll play tonight . . . Hot dog! There goes the bell . . ."

Well, look who's coming, the band, the greatest music makers Shawnee has ever had. And upon talking to Mr. Mitchell, the very capable director, we find that the band has had an exceptionally eventful year.

Off to an excellent start, the band played at three home football games—Columbus Grove, Pan-

dora, and Rockford. Of three games at which the band played away from home, the one at the dedication of the Elida football field was perhaps the most outstanding. If you came to the basketball games at home, you found the band occupying the southwest seats in the auditorium every time. In the spring the band took part in the district band contest with the hope that they might attend the state contest later.

An excellent job of leading the band was done by Shirley Sneary, the "big little" drum majorette from the senior class.

All of the students wish the band the very best of luck and more power to them.

ORCHESTRA

"You're not in tune, fiddles . . . Jean, keep your mind on your clarinet . . . Where is the cymbal player?? . . . That's a mellow saxophone section . . . A little more on the trombone, Bill . . . Ohhh, that note was wrong, Kate . . . Let's hear an "a" . . . You're still flat . . . Turn on the lights . . . Music, Maestro . . . Wonderful!"

This group of dignified instrumentalists is known as the Shawnee Theater Orchestra. And why shouldn't they be called dignified instrumentalists with such a fine man as Mr. Mitchell directing them?

Some of the interesting events that the orchestra took part in were, the accompaniment of the Junior and Senior Plays, the Commencement, and Baccalaureate. In March they gave us a very splendid concert in an assembly program.

If you should happen to visit the music room the 5th period on Tuesday or Thursday, you will agree that they certainly resemble a theater orchestra.

The school, the students, and the faculty can surely be proud of such a fine orchestra. May all the future orchestras be as fine as this one.

GIRLS' GLEE CLUB

"We shall sing 'The Lord's Prayer' We shan't start 'till everyone is quiet . . . Pass the music in . . . What shall we wear Friday? . . . Who gets to go to the Eisteddfod this year? . . . Please don't be late to class . . . second sopranos, I don't hear you . . . Bring your melody out altos."

The young ladies pictured above are members of the Girls' Glee Club. Under Mrs. Pearl Cohee, their very capable director, the glee club learned some very lovely numbers this year.

The girls took part in the operetta and cantata presented by the chorus of the music department.

When the music department held a concert in March, the Girls' Glee Club sang three lovely num-

bers—"Who'll Buy My Lavender," "If I Could Tell You", and "Snow Adventure".

In April came the two highlights of the season. The girls had worked all year for the Eisteddfod and the District Contest. Two very lovely numbers were chosen for the Eisteddfod. They were—"The Lotus Flower", and "Dawn". For the District Contest, which was held for the first time since the war, the glee club sang "Ave Marie" by Arcadelt and "Wake Thee Now, Dearest" arranged by Deems Taylor. This district contest was a brand new adventure for all the girls who went. They all entered this contest with highest hopes for coming out on top.

BOYS' GLEE CLUB

"Let's sing the 'Riff Song' . . . A little louder, baritones . . . Copus, going to stay tonight? . . . Now was that nice, Trueblood . . . If you fellows worked as hard at singing as messing around, you'd really get someplace . . . What's the pitch? . . . Not so loud, Bowsher . . . We'll sing this on the program . . . All right pass the music in . . ."

These are the fellows of Shawnee that really enjoy singing. Come to the music room on Monday or Wednesday during the seventh and eighth period and you'll hear some of the mellowest harmonizing you could imagine.

This year the Glee Club took part in many outstanding events. They played a very prominent

part in the operetta in October. At the carnival, they gave a very splendid rendition of an old-time minstrel. At Christmastime they showed outstanding talent in the unusual cantata, **When the Christ Child Came**. In the Eisteddfod of last year they ranked second in the county. This spring they are looking forward to a bigger, better, and more successful Eisteddfod.

There will be a district contest in April, and I am sure the Boys' Glee Club of Shawnee will do its utmost to make the name of Shawnee known all over Ohio. Best of luck, fellows, and may your voices ring across the nation.

MIXED CHORUS

"Would you people please be on time? Don't drop those folders on the floor! . . . Cut that out, Charlie . . . Boy, are my knees knocking . . . Is this the number for the contest . . . Tenors, you're down in pitch . . . Give me a piece of that candy . . . Pass the music over to the basses . . ."

And now we greet one of the finest sections of the music department of Shawnee, the Mixed Chorus. During the year this group of over a hundred people have preformed many outstanding and difficult tasks. They practiced many months on just two or three different numbers. When these songs were presented, the audience was very complimentary in their criticism of them.

In the fall the choruses presented the operetta, **Hollywood Extra**, and did a marvelous job. Every-

one was even more pleased when they presented the very unusual and dramatic cantata, **When the Christ Child Come**. The soloists were Ruth Harshman and Shirley James, sopranos; Doris Lee and Nancy Converse, altos; Willard Moore, tenor; and Paul Bowsher, bass. In March both the seventh and eighth period choruses presented a concert of three numbers each. The seventh period chorus did "Lullaby of Life," "Oh, Lovely Heart", and "I Passed by Your Window." The eighth period class presented "As Torrents in Summer", "Send Forth Thy Spirit," and "This is My Country." The chorus will sing for the Baccalaureate Services in May.

Mr. Mitchell, as well as everyone in the chorus is looking forward to the district contest in the spring and hoping to receive an excellent rating.

GRADE CHOIR

Under the very able direction of Mrs. Pearl Cohee, the boys and girls of the fifth and sixth grades have formed a grade choir. Every Tuesday and Thursday for 2:15 until 2:45 p.m. you will find these energetic youngsters practising the two-part and unison songs which they sing for the various musical programs in which they participate. And those songs are pretty difficult for them at times, too. Our own high school choruses still have difficulty in learning their parts at times.

In the fall the grade choir sang for the County

Music Festival and for the Thanksgiving program. If you came to the Christmas program of the P.T.A., you'll remember the Grade Choir had an important part in the program. You will also remember what an excellent job they did. In April the boys and girls again sang for the P.T.A. This time they sang "Heaven", a negro spiritual, "Three Blind Mice" and a "Spring Roundelay."

Kids, you're doing fine. Keep up the good work, and we'll be seeing and needing you in the high school choruses.

1945 SENIOR CLASS PLAY

"TEMPEST AND SUNSHINE"

In an old Kentucky plantation, Julia, called Tempest because of her fiery nature, and Fanny, nicknamed Sunshine because of her sunny disposition, live with their parents, Joshua and Nancy Middleton.

Tempest is inclined to be jealous of Sunshine. She convinces Dick Wilmot, a young teacher, that it isn't Sunshine he wants but Tempest herself. However, when George Lacy, a young physician from New Orleans, arrives, falls in love with Sunshine, and asks her to marry him, Tempest immediately loses all interest in Dick and falls in love with Dr. Lacy. She tricks him into a proposal of marriage by convincing him that Sunshine is in love with Dick, and by making Sunshine believe Dr. Lacy is fickle.

Dick becomes so upset that his bad heart finally

gives out. As he lies dying, he asks to see Tempest, but she refuses to go to him. Heartbroken, he dies. Tempest is finally shown up for what she really is. In the final scene she repents, Sunshine forgives her, and Tempest determines to try to work out a new life for herself. Sunshine and Dr. Lacy are reunited and the play ends.

The cast is as follows: Joshua Middleton, Kent Eyler; Nancy Middleton, (his wife), Pat Clayton; Julia Middleton, (Tempest), Nancy Jacobs; Fanny Middleton, (Sunshine), Joan Kershner; Aunt Judy, Shirley Strausburg; Uncle Louie, Bruce Braley; Ambrosia, Ann Townsend; Dick Wilmot, Herbert Graham; Mrs. Ida Carrington, Ruth Kerr; Kate Wilmot, Charlene Harbor; Dr. George Lacy, Don Pugh; and Susan Middleton, Mary Frail.

JUNIOR PLAY

"ALMOST EIGHTEEN"

Eddie Barry, a seventeen-year-old boy, wishes to enter a crooning school so that he can become another Bing Crosby. To do this he enters an essay contest on "Truth", hoping to win the necessary money which his father has refused to give him.

While Eddie is studying an English author's essay for style, his uncle, mistaking the essay for Eddie's, sends it in under Eddie's name. However, Eddie writes his own essay and enters it under part of his name, since Tommy Granville's mother, who is one of the judges, is angry with Eddie because of a fight he and Tommy had over Eddie's girl, Ann Sherman.

The essay that Uncle George entered is chosen as the best until Professor Merritt recognizes it as that of a seventeenth century author. Poor Eddie is really in hot water until Uncle George arrives

home from a fishing trip, "in the nick of time", and explains the whole thing.

The second best essay turns out to be Eddie's original one and he finally succeeds in winning the money for the crooning school tuition.

The cast is as follows: William Barry, Eddie's dad, Larry Stubbs; Grace Barry, his mother, Betty Hadsell; Beatrice Barry, the daughter, Joan Nunn; Mabel Warren, a music teacher, Connie Kraft; Mrs. Granville, of the Women's Club, Colleen Lugibill; Eddie Barry, almost eighteen, Bob Hittle; George Jones, who has a philosophy, John Myers; Ann Sherman, Eddie's ideal, Mary Ring; Tommy Granville, Eddie's friend, Bob Trueblood; Sally Davidson, one of the crowd, Donna McClain; Professor Merritt, Bill Eysenbach; Miss Dalrymple, a club woman also, Marilyn Swaney.

FOOTBALL

With some ten lettermen back, five of which were seniors, Coach Vogelgesang had high hopes of a good season. Unfortunately the entire squad lacked size for the nine games which faced them.

The Indians opened their season at Lima Stadium where they met St. Rose. The Rosearians' starting line outweighed ours thirty pounds, but they were given plenty of punishment during the fray.

Our next game was with our ancient rival, the Bulldogs of Elida. This team, the best in the history of the school, was given a terrific battle before winning 19 to 0.

In our next three games the Indians were nosed out by only one touchdown. The final counts were Delphos—13 to 6, Coldwater—6 to 0, and Pandora—13 to 6.

On October 26 a very determined Shawnee team traveled to Paulding where they broke their losing streak by defeating the Panthers for the first time in many years. Harold Carr made a fifty-yard run for a touchdown which gave Shawnee a 13 to 7 victory.

One week later Rockford invaded Shawnee and bowled the Indians over for a win of 26 to 6. Rockford intercepted three of our passes and ran them for touchdowns. One of the high lights of the game was Carr's return of their kick-off in a seventy-yard race for a touchdown.

For our next game we traveled to Wapak to be snowed under 45 to 0. Shawnee was at a great disadvantage, however, by having several out with injuries.

Rallying on November 9, to play the best game of the year, the Indians defeated Columbus Grove 18 to 12. John Gwinn led the way to victory by scoring a touchdown and passing to Don Settlemyre, who ran for another. All ten seniors starred in this their last game for Shawnee.

Next year Shawnee will have back ten lettermen and six of this year's starters. So, come on, get out and get back of YOUR team!!!

Football lettermen for this year are Charles Kerr, captain, Don Settlemyre, John Gwinn, James Thedieck, Ronald Harshe, Ed Conrad, Dick Edwards, Kenneth, Francis, seniors; Bub Carr, Bob Trueblood, Jim Stewart, Bob Hadsell, Irwin Adams, Harold Deaffendeffin, juniors; Darrell Paxson, and Ted Verbryke, sophomores; Johnnie Doyle and Ronald Verbryke, the manager, freshman.

SENIOR LETTERMEN: Row 1—Ed Conrad, Don Settlemyre, Jo'in Gwinn; Row 2—Roger Emrick, Charles Kerr.

THE SQUAD: Row 1—John Myers, Manager, Roger Emrick, John Gwinn, Don Settlemyre, Bob Trueblood, Jim Stewart, Ed Conrad, Charles Kerr, Mr. Lawrence Deckrosh, Coach. Row 2—Eugene Miller, Cliff Lambert, John Schlegel, Bub Carr, Bob Hadsell, Gene Coover, Ed Schlegel, Charles Copus, Ed Williamson.

BASKETBALL

A team that started weak but finished strong was the Shawnee basketball team of 1945-6. Little but mighty is a term well applied to our team, since none of our boys exceeded the six-foot mark.

We opened our season with three straight defeats by losing to Beaverdam, 30-14; Spencerville, 45-18; and Lafayette, 37-26.

In our next game the Indians wouldn't be defeated and they sent Harrod home on the short end of a 35-33 score after a hot battle. With this one victory under our belts we traveled to Elida only to lose to the Bulldogs 56-21. We were away off form as we lost our next two tilts to Gomer 49-18, and Lafayette 53-24.

The Indians made a turn for the better at Waynesfield as we won 34-28, handing the loser their second loss of the year.

The game with Wapak, the district champions, was a nip and tuck battle, but we couldn't match their size and speed so we lost, when the final gun sounded, 51-32.

Middlepoint's strong team was given a good score before winning 33-23.

The Indians got sweet revenge from Beaverdam by a 33-28 count as they fought their way up from a seven-point half-time deficit.

Ed Schlegel then gathered in 21 points to put the Indians over the top of a stubborn Cridersville team for the second time by a 41-39 score.

The game with Spencerville was one of the most thrilling and well played of the season. Shawnee, trailing 25-9 at the half, came back to win the ball game 39 to 38 in a hotly contested game.

Harrod again fell victim to our team after a good battle by a 39 to 38 score.

The Elida and Gomer games finished our regular season. The scores in two well-played games were 56 to 39 and 40 to 39 respectively.

In the tournament we were beaten 35 to 33 by Lafayette in the first round and by Beaverdam in the second game 45 to 37.

Lettermen this year were Ed Conrad, Roger Emrick, John Gwinn, Charles Kerr, and Don Settlemire, seniors; Bob Trueblood, Jim Stewart, juniors; and Ed Schlegel, a freshman.

Row 1—Bill Riffle, Chuck Kerr, Chuck Copus, Mr. Deckrosh, Coach, Bob Sneary, Gene McGillvary, Elmer Hanes.
Row 2—Bub Carr, Jim Stewart, Darrell Paxson, Kent Eyler, Clarence Dupler, Bob Hadsell, Bill Koon.

BASEBALL

The baseball team of 1945 was not a winning one, but nevertheless, we feel our boys have profited greatly from their experience. Elmer Hanes, in his first year out for baseball, did a great job of pitching in 1945.

During the season we played Gomer, Lafayette, Elida, Spencerville, and Harrod. In the tournament we were beaten by Gomer 12 to 3.

Next year our hopes are brightened as the Indians lose only three lettermen. They are Kent Eyler, Clarence Dupler, and Elmer Hanes.

Come on, fellows, let's really show 'em. And the rest of you, don't forget to back our baseball team.

Row 1—Henry Pond, Herbert Graham, Roger Emrick, Dick Edwards, William Parker, Floyd Wetzel, Bob Trueblood, Bernard Sneary, Paul Dearing, Adrian Deshem, Ronald Harshe, Bub Carr, John Myers, Don Settlemyre.
 Row 2—Tom Thedieck, Bill Fox, John Schlegel, Frank Clayton, Doan Boughan, Darrell Paxson, Mr. Vogelgesang, Coach, Ted Verbryke, Jim Leffler, Gene Coover, Richard Roof, Clarence Cox, Manager.

TRACK

With only one letterman back from the 1944-45 team, the Indians won their way to fame by receiving the runner-up trophy at Lima's Junior Olympics and Relays. We also won a beautiful plaque by our victorious one lap relay team at Greenville and the Sprint Medley Trophy at the Junior Olympics. Many medals, ribbons, and small plaques were won by members of our team at Lima, Greenville, and Bowling Green. By this you can see that the Indians enjoyed a very successful season.

Next year all but Floyd Wetzel will be back and the Indians will really be out for scalps.
